MY ATELIER EXPERIENCE

DESIGNING THE FUTURE

"My Atelier Experience" is designed to provide a comprehensive understanding of the fashion industry. It offers a hands-on approach to learning key concepts and techniques of pattern cutting and garment construction. The program specializes in sustainability and upcycling, helping you understand the manipulation of different fabrics, the meticulous pattern-cutting techniques, and the sewing techniques and patchwork used to create your final piece.

MASTER FASHION TECHNIQUES

Learn essential techniques in garment construction and tailoring, focusing on precision and craftsmanship. You'll develop the skills needed to create high-quality, fashion-forward pieces.

REVIVE GARMENTS

Breathe new life into existing clothing by learning the art of upcycling and garment transformation. Explore how to take something old and make it new again, with a focus on sustainability and creativity.

ENHANCE YOUR CREATIVITY

Unlock your creative potential through a variety of hands-on projects and design exercises. You'll be encouraged to think outside the box and experiment with new ideas and approaches to fashion design.

PERFECT FABRIC AND FINISHING TOUCHES

Develop advanced skills in fabric manipulation and finishing details, learning techniques such as pleating, draping, and hand-stitching. These techniques will give your designs a polished, professional edge, making your garments stand out.
